CRUISIN' FOR A BRUISIN'

It was too good to stay in the paddock!

TOUGH-AS TOYOTA!

THIS brings a whole new dimension to the concept of circle work. When South Oz bloke Tom Beltrane dragged this Toyota FJ40 Land Cruiser out of a back paddock and into his workshop, the world didn't know what was about to hit it.

Reaching for the stars, Tommo chucked in a 510ci big-block Chevvy donk, bolted a 8/71 TBS blower on top and added heaps of other goodies to make it pump out 1280 horses.

With a 120 litre tank full of methanol on board, he was ready to declare war on the burn-out pads of the nation.

And so it came to pass at this year's Summernats that minds were well and truly blown as he smoked 'em up to the delight of the crowd.

Some people actually fainted. It was that good.

Word has it that Tommo is now gunna give it a coat of paint, so it should be good for fancy weddings, too. ■ Picture

UP & CUMM

19-year-old Leah is one to watch

LEAH Gotti is one of the bright new faces of porn, but it's not like she didn't have other career options.

She was a champion wrestler at uni, so she eventually might've cracked the WWE.

And she's studying brainy BIO-TECHNOLOGY, so one day she still might able to flog you a bionic arm.

But in the meantime, the 19-year-old hottie is making a nice little living FUCKING ON CAMERA, and we're so happy about it.

It all started when she signed up to host a party that turned out to be the Exxxotica Convention.

"Just for a joke, they entered me in the Miss Exxxotica competition, and even though I'd never stripped before, I won!" she recalls fondly.

New Tits

New Tits

On the block

There was no stopping her from there. A little bit of lezzo porn here, some sheila wanking porn there, and the next thing you she's got a ridiculously huge cock splooging all over her pretty face while the cameras roll. What a journey!

But even all the on-camera action she's getting isn't enough for this randy little rooter from Texas.

"As far as sex outside of work, I fuck like a rabbit....ALL DAY LONG, if possible," she says. "And if I don't have sex, I usually masturbate 10 to 12 times a day."

Yowzer! That even beats OUR record!

As to HOW she has sex, Leah is still in that youthful, QUESTING phase.

"I don't have a favorite sexual position,

"I FUCK LIKE A RABBIT"

because there are thousands of positions, and until I try them all I don't think I could have a favourite.

"I really like having sex standing up with one of my legs in the air. And I recently found out that I love to be tossed around like a little rag doll."

There you go. Every day you learn something new.

And her whole-hearted approach to her chosen profession is one to be ADMIRED.

"I love sex anyways, so the sex in porn, to me, is always real," she reckons.

"The people that I shoot for don't usually stop you once you start. They tell you the positions they want you to get into, but it's pretty real with me." ■Picture

News Flash

Believe it or not, this shit happened!

It got a real nice wash, anyway

FRANKEN-TOAD!

GET out ya number three woods, Northern Terrtrorians, this is gettiong serious. A resident of Virginia, an outer suburb of Darwin, discovered this FIVE-LEGGED cane toad in her garden the other night, which go show sthe wily canies are evolving rapidly. If this is an example ithe new breed of toad, now they 'll be able to run faster and KICK HARDER. It's only a matter of time befwore they can FLY aND EXIOST SOLELY ON human blood. We may as well give up and all move to New Zealand.

Bet he can dance really good, too!

TURN RIGHT. OR MAYBE LEFT...

THOSE GPS gizmos in cars are great, but you can take it too far. Like this sheila in Canada, who followed her GPS's instructions all the way into about four metres of water in Lake Huron. Just like in the scary books, it was a cold, rainy and foggy night when she was driving near Tobermory, Ontario, and her GPS directed her down a boat ramp and into the drink. She ended up about 30 metres out ionto the lake, in freezing water, but still managed to grab her handbag before swimming ashore. And she wasn't even pissed!

#269 WE DREW A COCK ON IT

BYE-BYE BOOBS

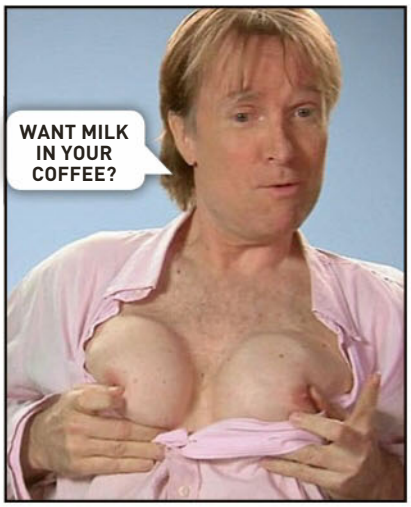
A CANADIAN nut-job bloke who had C-cup BOOBIES implanted for a bet has finally had them removed – after 20 years!

Compulsive gambler Brain Zembic had the bolt-ons installed back in 1996 to win a $100,000 bet. He only had to keep them for a year, but decided he liked them so much he was gunna hang on to them.

"They really did look nice, and now I can see why women do certain poses, like push them together," he sighed happily when he got them.

But everything gets stale eventually, even having your own pair of boobs to play with.

Maybe he can take up golf instead.



GIVE IT SOME TOE

TOEY Welshman Tim Price has turned TRAGEDY into COMEDY following an horrific accident at work. The 32-year-old had his right foot smashed by a forklift and had 12 stitches insert his big toe. Then when the toe TURNED FUCKEN BLACK and started oozing orange pus, docs had to amuptate. But ever cheerful Tim, 32, from Brecon, Powys, wasn't gunna let toelessness get him down, and got this tattoo a few weeks later. "I wanted to get it so that people didn't take the mick. I think it's funny." TOE RIGHT IT IS, you hilarious fucken Welsh champion!

NASTY NORKS

A SYDNEY woman with double-H size boobs wants a breast reduction op on Medicare because she says her knockers stop her from working. Nim Murphy reckons she's on a waiting list, but in the meantime can't hold a job or live a normal life because of the back pain her norks cause. And we kinda see her point. As much as we love big boobs, we don't have to carry them around.

LOVE BITE

WHEN this little sharklet bit a chick's arm in Boca Raton, Florida, USA, it liked it so much it would let go! The 23-year-old sheila was playing with the shark in shallow water in Red Reef Park when it latched on, and despite local lifesavers trying to pry it off she ended up going to hossie with it still attached. Doctors managed to detach the shark, which sadly died. We'll miss the feisty little bugger.

I'M GUNNA NEED A BIGGER MARSHMALLOW

CAPTAIN'S LOG!

YOU might need to pour a fair bit of kero on it to get it going, but this monster twig would be the perfect fuel for a BEACH BARBIE.

The 60-metre long western red cedar CONVENIENTLY washed up on the beach at La Push, in Washington State, northwest USA.

Woody champions like this are always falling into the ocean from the Olympic National Park, which borders the ocean, and then they float around for a while before being SHOVED up onto the shore by a combo of high tides and strong offshore winds.

Then they wait there for some enterprising outdoor cooking enthusiast to come along with a kilo of snags, an Esky full of beer and BIG DREAMS.

No telling how many rolled up sheets of newspaper you might have to shove under it to get it going, but, so you'd better take one of the big Saturday papers.

But once she's blazin' we reckon it'd be good for a few hours cooking time at least, so you could always chuck on an OX or two. ■ Picture

BIG BOY'S TOY

Be King Shit in your street with this mega-dumper

IF YOUR next-door neighbour has just bought himself a brand new Range Cruiser Mega Cojones SUV, with four reverse gears, in-built planetarium and REAR-SEAT SPA BATH, this is just what you need to up the ante.

This little bewdy is the Belaz 75710, QUITE POSSIBLY the world's biggest dump truck.

It's LONGER than a couple of buses end-to-end, WEIGHS more than a fully-loaded 380 Airbus, packs TWO 16-cylinder diesel engines merely to drive the GENERATORS that power the FOUR ELECTRIC MOTORS, and can haul up to up to 450 TONNES of beer bottles to the tip in a single trip.

So GET FUCKED, neighbour!

Made in the former commie hell-hole, now democratic land of freedom Belarus, the Belaz will have everyone in your street PUKING with envy the moment you park it on the nature strip and honk the horn.

Mind you, at a smidge over US$6 mill, and churning through the motion-lotion at a credit-card eating 130 litres per kilometre, you might want to prod the missus to put in for some extra shifts at Woollies.

And with a top speed of 40kph, you can forget about OUT-RUNNING the COPS.

Still, it'll look FUCKEN GROUSE once you put a spoiler on the back and add some sparkly rims. ■ Picture

All that's missing is YOU!

COULD this be the NICEST knock-shop in Australia? Actually, Stiletto, in Sydney's Camperdown, is probably TOO NICE to be called a knock-shop. So... bordello, perhaps? Bawdy house, possibly? SEXATORIUM? Nah. Maybe not sexatorium.

Anyway, a little while ago Stiletto had the honour of being named "the world's finest" by ritzy American men's mag *Details*. The EVEN RITZIER *Harpers Bazaar* mag called it "Australia's most upmarket bordello", which went on to describe it as "five-star boutique chic". In 2012, *TimeOut* gave it the title of "The Taj Majal of Sydney brothels".

THE PICTURE was given the full rundown on Oz's best brothel by Lily, the joint's mistress of marketing.

"It's the biggest purpose-built, DA approved brothel in Australia," says Lily. "It's so large and luxurious, and has a five-star hotel feel about it."

PLEA IS BUSI

Stiletto is the cream of the cr

And the girls, Lily. What about the girls?

"The girls that choose to use the rooms at Stiletto are drop dead gorgeous, and they each have their individual services and unique specialties they provide. Many of our girls fly in and fly out of Sydney just to come here - pleasure is their business!"

You bewdy! Multiculturalism at its finest!

"They make the commute because we have the best facilities – 24 hour cleaning crew and linen service, fresh water spas, huge beds, ensuites and complimentary bar in every room, there are even dancing poles and pool tables in the second level suites."

So waddya say to the man who is looking for the time of his sexual life?

"We are truly unique. You'll understand all of this once you walk into the place."

What are ya waiting for, blokes! Picture

Maryanne, 20

What's the best thing about your work?

"Flexible hours, great pay, never a moment of boredom. And I'm a people pleaser, so making people satisfied makes me happy."

Your favourite rooting position is...

"Doing it like they do on the discovery channel."

Have you had any strange requests while on the job?

"I once had a Muslim man ask me to say a marital prayer with him. Apparently that made us a married couple for thirty minutes, so it didn't count as extramarital sex for him."

Do the customers ever teach you anything about chonking that you didn't know?

"Before I started working, I'd only ever had sex that was vanilla. So basically everything."

What happens if a punter wants freaky EXTRA stuff?

"I don't do anal or kissing, but I love dressing up and doing role play."

Is it hard to deal with guys who have very large schlongs?

"Yes. Super wide or long penises can be a struggle and can make certain positions impossible."

What's your special fucking skill?

"I'm very flexible. Use your imagination."

Have you learnt anything new about your own sexual tastes?

"I totally have a thing for shy/awkward awkward guys ."

Have you ever had a couple ask you for a threesome?

"I find the dynamic of heterosexual partners difficult to work with, so I haven't done a threesome with a straight couple before. But I do like sharing with two men. Sharing is caring."

What is it about you that drives customers wild?

"I'm the girl next door, the one you'd never expect to work where I do."

What's the most amount of orgasms you've had in a day?

"Too many to remember"

Fucken hell!

Sarah, 21

What's your special sex skill?

"Amazing sensual and slow blowjobs with lots eye of contact."

What's your favourite tonking position?

"Doggy style for sure."

What's the weirdest request you've had while on the job?

"He paid me extra to wear my civilian clothing, like jeans and hoodie."

Do the customers ever teach you anything about sex you didn't know?

"No, I teach them!"

Is it hard to deal with guys who have MONSTER COCKS?

"Yes. I've had to decline clients who are too big, but it depends on the shape as well. Big penises can be uncomfortable, especially if they curve a certain way."

What has chonking for a living taught you?

"You can have an orgasm with anyone, even though sometimes you have to use them like a toy."

What is it about you that drives customers wild?

"My bubble butt."

What's the most amount of orgasms you've had in a day?

"Probably four."

Good effort!

Brooke, 24

What's the best thing about your work?

"Money and flexible hours."

Have you had any strange requests while on the job?

"This one guy wanted me to wear nylon stockings on my arms and jerk him off."

Do the customers ever teach you anything about sex you didn't know?

"I've discovered I really enjoy being gone down on – I just hadn't met anyone actually good enough before I started working in this job!"

Is it hard to deal with guys who have very large penises?

"No. I take dick like a champ!"

What's your special rooting skill?

"Deeeep throat."

Have you learnt anything new about your own sexual tastes?

"I'm more sexually adventurous and I'm attracted to a wider variety of men than I was before."

What is it about you that sends blokes bonkers?

"Customers always tell me my boobs are amazing – they are big but completely natural."

What's your favourite sexual position?

"Doggy."

What's the most amount of orgasms you've had in a day?

"Four or five. Maybe more."

Karma, 22

What's the best thing about your work?

"Money, interesting and/or hot clients, bisexual three-ways and other fun bookings, the occasional and unexpected intense connections that can happen with complete strangers."

What's your favourite sexual position?

"On top, where I belong."

Giddy up! Do the customers ever teach you anything about sex you didn't know?

"I'm capable of squirting from vaginal penetration. Also squirting can get really messy."

What's your special rooting skill?

"I can choke you out."

Crikey! Have you learnt anything new about your own rooting desires?

"I used to only be attracted to intellectuals but now I'm really into fucking dumb younger guys with great bodies."

Have you ever had a couple ask you for a beaut threesome?

"I love seeing couples, the best ones are when the girl is bi and really into it. But sometimes the boyfriends get jealous or weird about that and they feel left out. It's quite demanding keeping everyone happy."

Have you had any strange requests while on the job?

"After a while nothing seems strange, e.g. foot fetishes are surprisingly common. But a good one was a role-play involving the client being 'kidnapped' by women who then cross dress him – I think it's called forced feminisation or something."

What is it about you that drives punters absolutely wild?

"I'm good at what I do and I love it. It shows."

What's the most amount of orgasms you've had in a day?

"If you're still counting by the end of it, there wasn't enough."

JOKE OF THE WEEK WINS $100

SEVERAL men are in the locker room of a golf club. A cell phone on a bench rings and a man answers the phone, puts it on speaker, and begins to talk. Everyone else in the room stops to listen.

Man: "Hello?"

Woman: "Honey, it's me. Are you at the club?"

Man: "Yes."

Woman: "I'm at the mall now and found this beautiful leather coat. It's only $1,000. Is it ok if I buy it?"

Man: "Sure, go ahead if you like it that much."

Woman: "I also stopped by the Mercedes dealership and saw the new 2016 models. I saw one I really liked."

Man: "How much?"

Woman: "$65,000."

Man: "OK, but for that price I want it with all the options."

Woman: "Great! Oh, and one more thing. The house we wanted last year is back on the market. They're asking $950,000."

Man: "Well, then go ahead and give them an offer, but just offer $900,000."

Woman: "Ok. I'll see you later! I love you!"

Man: "Bye, honey, I love you, too."

The man hangs up and the other men in the locker room are looking at him in astonishment.

Then he smiles and asks, "Anyone know whose phone this is?"

A WIFE gets naked and asks her husband, "What turns you on more – my pretty face or my sexy body?"

Her husband looks her up and down for a moment and replies, "Your sense of humour."

IT WAS Jeff the mortician's job to examine the dead bodies before they were sent off to be buried or cremated. As he examined the body of Mr. Jones, who was about to be cremated, he made an amazing discovery. Mr. Jones had the biggest dick he had ever seen.

"I'm sorry Mr. Jones," said the mortician. "But I can't send you off to be cremated with a tremendously huge wang like this. It has to be saved for posterity."

With that, the mortician used his tools to remove the dead man's schlong, stuffed his prize into a briefcase and took it home. The first person he showed it to was his wife.

"I have something to show you that you won't believe," he said, and opened up his briefcase.

"Oh my God!" she screamed. "Jones is dead!"

C.T., MORNINGTON, VIC

"YOU can tell a lot about a person by the beer they drink," I said to a bloke at the bar.

"Really?" he replied. "So what can you tell about me?"

"You're a cunt," I said.

"What makes you say that?" he asked.

I said, "That's my beer you're drinking."

So I did, as she moaned in ecstasy. Now we're barred from that restaurant for life.

THIS WEEK: HOLDEN VS FORD

Q. WHAT'S THE DIFFERENCE BETWEEN A FORD AND AN ECHIDNA?
A. ECHIDNAS HAVE THE PRICKS ON THE OUTSIDE.

Did you hear that Australia Post had to recall their latest stamps? They had pictures of the Holden Racing Team on them and people didn't know which side to spit on.

Q. WHAT DO YOU CALL A FORD AT THE TOP OF A HILL?
A. A MIRACLE.

A man pulled up next to a little girl walking home from school and said "If you get in, I'll give you a lollypop." The girl kept walking. Following along slowly, the man said "Come on and get in the car with me and I'll give you two lollypops." She kept her eyes on the sidewalk and continued on her way. The man said "Get in with me and I'll give you this whole bag of lollypops!" Finally, the girl turned and said "Look Daddy, YOU bought the Ford, YOU ride in it!"

Q. WHY DO HOLDEN DRIVERS DRIVE WITH THEIR HANDS OUT THE WINDOW?
A. TO HOLD THE SIDE PANELS SO THEY DON'T FALL OFF.

The new Holden Commodore has cup holders built into the boot lid so when you're pushing it you can have a drink at the same time.

Q. WHAT'S THE DIFFERENCE BETWEEN A FORD AND A GOLF BALL?
A. YOU CAN DRIVE A GOLF BALL 200 YARDS.

A guy walks into a spare parts shop and says, "Hey, could I have a fuel cap for a Holden?" The attendant says, "Yeah, sure, that sounds like a fair swap."

Q. HOW DO YOU DOUBLE THE VALUE OF YOUR FORD?
A. FILL UP THE TANK.

Q. WHAT'S ON PAGES FOUR TO FIVE OF THE HOLDEN COMMODORE OWNER'S MANUAL?
A. THE BUS SCHEDULE.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

SAY CHEESE

MUNGO, my mates claim they're never reading another Picture mag. The reason being, I had lunch at work while reading the mag and the hot, melting cheese from my ham 'n' cheese toastie dripped on a few pages, and that's the true reason why they got all stuck together. Now the boys reckon I've scared them off the mag for ever.

C.C., PORTLAND, VIC

MUNGO SAYS: I'm not surprised. Shooting melted cheese instead of jizz? That's scary. Sounds like some sort of super-power you'd get after being bitten on the dick by a radioactive cow. You ought to wear your underpants on the outside of your jeans and call yourself Cheesy Dick Man.

COMFORT STOP

HI MUNGO, I thoroughly enjoyed the top 50 Home Girls (#1404). Whoever had the job of picking them – or should I say which ones to leave out – had a tough gig. Just one request – next time can you put the issue they were originally published in the mag, so I can go back through my collection and see their pics and read what they had to say? Number 37 Elena shoulda been in the top 10 – she's mint! Can you please tell me what issue she was in? She has the best pierced breasts I've seen.

D.K., GEELONG, VIC

MUNGO SAYS: Elena goes all the way back to issue #1376, when the freelance nude model told us she was "comfortable with her body". If I had a body as nice as hers, I'd be pretty comfortable, too.

Pierced and proud!

Stiff, sticky and ready to go

KNOB-A-JOB

AT WORK the other day, Mungo, the sausage of Sikaflex took some Viagra and went hard so I made into a double-ended dildo. Cheers.

J.K., HIGHTON, VIC

MUNGO SAYS: I've heard of Yorkeys Knob, but this is the first I've heard of tradies' knob. It doesn't look healthy. I'd get a doctor to look at that if I were you.

MUNGO WANTS TO KNOW...

I'd love it if the rest of my chick readers would follow B.H.'s example and take some piccies of yourselves flashin' your norks in front of other so-called 'attractions'. We can get the tourist biz happening again, and you can earn yourself some dollars. Ladies, I await your efforts.

LUCKY DOG!

ON A drive from Sydney to Melbourne, I had to see the Dog on the Tuckerbox, as it is an Australian historical monument and tourist attraction. It was quite easy to find near the Hume Highway. And of course I had to have a picture taken besides this icon of the past. A motorist eating his pie a few metres away was kind enough to take this photo for me. Much better than a selfie!

B.H., BOURKE, NSW

MUNGO SAYS: Darlin', ya just made a so-so Australian tourist destination much more interesting. Dog on a box? Take it or leave it. Dog on a box with tits? Now ya talkin'! They oughta pay ya to hang around flashing them beauties full-time. I reckon they'd sell a lot more pies.

LIGHTS! CAMERA! ACTION!

HI MUNGO, I've got a fantastic idea for that film PICTURE is planning with you and a few dozen choice Home Girls. The movie opens with you in court (that won't stretch your acting ability too much) copping a community service order to coach a women's prison footy team, so plenty of excuses for group shower scenes. To encourage the girls, you smuggle in a bit of weed as the Player of the Day prize. But, being sex deprived, they want something more, and you oblige. The prison side gets through to the grand final, where they meet their opponents - a team representing a private girls' school. Naturally, the crims win and the last scene is of you being offered a shitload of money to coach at the girls' school, giving the opening for a sequel. There you go, mate – your pathway to film superstardom. I hope you can still handle those Hollywood parties. I've read they're pretty high-octane beanos.

P.M., LABRADOR, QLD

MUNGO SAYS: Shit, mate, that's gunna be longer than Lord Of The Rings. And that's after I've trimmed it down some. But OK, I'm in. Now all we need is the dosh...

Is it a bike?

GET TO THE CHOPPER

Readers, you may ask the question – why stick a radial aircraft engine in a motorcycle? To which the only logical answer is – WHY THE FUCK NOT? When Seppo bike builder John Levey saw the type of donk in question he naturally thought: "That would be so cool on a bike." Finding one to fit was the problem, but beautly the solution was DINKY-DI. When Levey tracked down the Australian-made, seven-cylinder Rotec R2800, everything became MUCH CLEARER. Still, there was the problem of wrestling the 80cm-circumference engine into a motorcycle frame. But soon things started humming. From concept to actual, rideable MURDERCYCLE took a little over a year, and the so-called Radial Chopper made its first public appearance, not at a bike show, but at the 2006 Oshkosh Air Show in Seppoland.

SHED HEADS

Oz's best MAN CAVES

WHO: Steve, 47, Electrician

WHERE: Chirnside Park, Vic

Steve's got his priorities just right

HOW DID THIS BEAUT MAN CAVE COME ABOUT, STEVE?

The shed was already there. I was gunna pull it down and build a newie but the council was dicking me around so I thought I'd renovate it instead. It basically started as a showroom for my mint condition Charger – I always wanted a car parked in the lounge room, but the missus wasn't going to have that, so this was the solution. I wanted to somewhere to put the Charger that wasn't full of spiders and dust.

GOTTA TREAT HER RIGHT MATE. ERM... THE CHARGER, WE MEAN. WHAT ELSE IS IN THERE?

The bar... heaps of Jim Beam memorabilia... my collection of vintage BMX bikes ... old pedal cars... the pinny... I've put heaps of shit I've collected in there. The shed was only finished around Christmas time, and I've already just about run out of space to put stuff.

ONLY ONE ANSWER TO THAT, STEVE...

Yeah, now I'm planning to extend it. Basically build another shed on the back of this one and put a car hoist and work shop in and move the Valiant in there. Then so I can have a surround -sound home cinema set-up in the other part.

SOUNDS LIKE A PLAN! BEEN PARTYING ON IN THERE MUCH?

I haven't had a lot of time to do much in there yet, but a couple of weeks ago had a bunch of mates around for a few bourbons.

THAT'S THE IDEA. DON'T SPILL ANYTHING ON THE CHARGER, BUT.

Steve's Shed

THE COMPLETE CAVE!

Talking Dirty

DOWN AND DIRTY

TRIN, babe, my man's been a little sad recently and I'm not sure why. Anyway, I think I wanna do something sexy and fun to excite him. Any suggestions? How would you make your man happy if he was feeling down?

L.D.H., ELIZABETH, SA

TRINITY SAYS: ***While most men love anything and everything sexual like random blow jobs or seeing you dressed up in lingerie etc. What a lot of women forget is that men like to be pampered too. I suggest setting up the house with a massage table. Have him arrive home to a beautiful, freshly cooked meal by you, while wearing your sexiest new lingerie followed immediately by a super sexual message with a happy ending.***

"A FINGER UP THE BUM JUST MAKES YOU KINKY"

FINGER FUN

I SLEPT with this chick last week and she gave me quite a shock. Mid-root she decided to stick a finger up my clacker! And while it scared the bezeejus outta me, I kinda enjoyed it. Does that make me gay? And how do I bring this up with the next chick I bang?

PACKA, REDLAND, QLD

TRINITY SAYS: ***I don't know how many times I've had to answer similar questions to this. It's common knowledge – you're only gay if you're attracted to the same sex! If you like a finger up the bum it just makes you kinky. Never be shy to ask for what you want. A finger in the bum is not that big a deal – loads of guys like it!***

HOOK US!

I'M GOING to Thailand soon and am thinking about going to that Pattaya place where all the sex stuff goes on. Have you ever been, Trin? Can you give me some

Gary Santos Photography, Thinkstock

advice on the do's and don'ts of getting a prostitute?

SAM, PORT VINCENT, SA

***TRINITY SAYS:** DON'T! Just don't. They're there to rip you off, I've seen the shows and they don't make it look good. As for the pros you can't even be sure if it's an original woman or made one. But I guess if you're really keen you can try your luck. You only live once, right?*

CHEAP TRICKS

HELLO Trinity, I think Fleshlights are a bit too expensive so I made my own sex-toy by cutting a whole in a foam mattress and putting a zip-lock bag full of lotion in there and then fucking that – genius, right? Do you have any household objects you like to masturbate with? Can you think of a good name for my new invention? Thanks!

P.T., BOWRAL, NSW

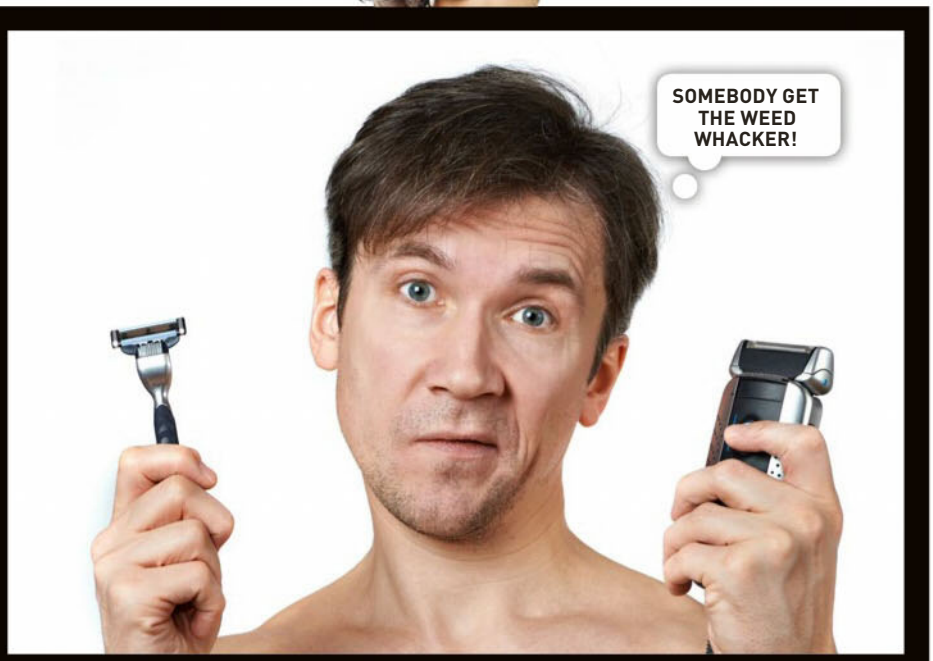
***TRINITY SAYS:** Wow, dude, you're really that tight? Fleshlights aren't that expensive – there are loads of options to suit any and all budgets. Hmm, but if you want a name, maybe go with 'Budget Butthole'. I prefer to masturbate with quality specially designed sex-toys. Though I did almost have an incident last week when I nearly mistook the TV remote as a dildo.*

FACE IT, MATE

G'DAY Trin, my missus won't let me come on her face. It wasn't a big deal to begin with but the more she refuses the more I just wanna bust a nut across her melon. She says it's degrading and disgusting. How can I convince her otherwise?

DALE, ROCKINGHAM, WA

***TRINITY SAYS:** To be honest, it's the one thing I feel exactly the same about and I like to do some pretty perverted stuff. Everyone has their boundary, babe, and naturally you'll always want what you can't have. Sorry, mate, I'm with your woman on this one.*



TRINITY'S SEX TIP

Always be prepared! You never know when that exciting random root will arise. So make sure that pussy is always presentable and your meat and two veg are properly manscaped!

SPRAY 'N' WIPE

MY MATE was telling me about how he made this chick squirt the other day and how he can make ever chick squirt. I've never been able to do it – is there a special technique or something? I'd love to be able to! Can you squirt?

B.R., ALBANY, WA

***TRINITY SAYS:** I've squirted but very minimally and on a very rare occasion. Gushing is more my thing. Yes there is a technique and you can learn it online. Have fun practicing!*

WEB WANK

I GOT busted by the wife jacking off on this webcam site the other day and now she's kicking up a massive stink. She says it's cheating 'cos I was camming with this woman who was watching me stroke my cock while I watched her fingerbang herself. I reckon it's just having a wank. What do you think?

B.M., BOWEN, QLD

***TRINITY SAYS:** Porn is one thing - live web cam is another. It's practically like Skype. Which, personally, I'd have a slight issue about too. However, it should just be something that you can both express your feelings about then come to a compromise. I can see her being annoyed at first but she shouldn't go on about it...*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

JESUS H. Tap-dancing Christ, the things you blokes do to yourselves! We're surprised any Australian tradie lives long enough to collect his pension, after all the damage you manage to self-inflict.

Fuck, just take a look at what Jamie's done to his GREGORY PECK!

Mate, how'd it happen?

"Cutting through a concrete sewer pipe with a demo (demolition) saw and it jammed and kicked back and hit me in the throat. I had to get airlifted out."

How'd the other blokes on site react?

"They were pretty freaked out. When something like that happens with blood going everywhere you just think you're gunna die. I didn't pass out but I definitely got close."

Spend long in hossie?

"Just an overnighter, got surgery pretty quickly. But I had a month off work and have been seeing a physio."

What's the actual damage? Did you cut your windpipe?

"Nah, just missed my windpipe – I think you can actually see it in the picture. But I sliced the two main muscles and nicked my thyroid and also cut my two jugular veins down the middle of my neck."

How many stitches did ya get?

"I got staples, about 19. And some internal stitching as well."

Ya gunna have a sweet scar, then.

"Maybe, but it's healing pretty nicely."

Did it keep you off the grog?

"I haven't had a beer since it happened, about a month ago, but I only just started back at work."

Yeah, probably wise. It would've run out of the hole in your neck and been wasted. By the way – GET UP YA SOOK! Picture

WHO'S THE BOSS?

Nothing can stop Gigi Allens from world domination

YOU'D have to have been living under a rock for the last couple of years not to be aware of Gigi Allens' rise to international porn fame.

The blonde Sydney babe has slayed 'em in the US with her wicked ways, but she's not letting the grass grow under her feet.

"I'D LIKE HILLARY CLINTON TO SPANK ME"

When last we spoke, Gigi was about to begin shooting for her newest project, a web series of shorty pornos featuring the adventures of some travelling prossies bringing joy to the lives of truck drivers.

As well as starring in, directing and producing the whole shebang, Gigi's been planning all sorts of other shagging shenanigans.

But more of that later. Seeing as how she's splitting her time between here and the US these days, we thought that she'd be the perfect one to answer the biggest question regarding the upcoming elections in both countries.

Gigi, this is the political question on everyone's lips – who would you rather root, Bill Shorten or Malcolm Turnbull?

"Bill reminds me of a kinky little gnome, and Malcolm actually scares me a little bit, so I'll go Bill."

What about the US – Hillary or The Donald?

"I don't know what Trump's into, but I bet it's weird and nasty. I don't know whether I'd let him put it in me. There's a touch of the dominatrix about Hillary. I'd let her take the lead. I wouldn't mind if she bent me over her knee and spanked me."

PIN-UP 1406

Don't forget to show us the piccies afterwards. Now, what are these new adventures that you're embarking on?

"I want to go to Japan to shoot this year. They are just so kinky over there and I'm so dirty! Octopus sex and used pantie vending machines! I definitely want my own one of them."

As a seller or buyer?

"Both, actually. I like the idea of buying them, and I'd definitely be willing to wear a bunch of panties for a day each and put them in a machine and sell them. And I'm going to start writing erotic stories loosely based on my own experience in the porn industry, with a bit of fiction thrown in."

And how's your web series going?

"Great. Getting the website organised is pretty intense. I'm doing more in front of the camera than I thought I would, so my filthy hands are all over it. We've been guerrilla filming in truck stops all around Canberra."

And getting away with it?

"Oh, you know me – I get away with everything!" Picture

SPLASH MOUNTAINS!

Brooke reckons the wetter the better

IF YOU live in Melbourne and you've got a pool in your backyard, there's a fair chance this dick-hardening 21-year-old student has had a late night swim in it.

"Last summer was so hot that me and a girlfriend were prowling around the neighbourhood at night looking for pools to relax in," admitted ferociously fuckable Brooke. "And we only got caught once."

Did they call the cops?

"No, they just told us to move on. They didn't seem very happy about it at all. Hopefully I'll have my own one soon. I love being in the water."

Well there's no way you would've drowned with those CHEST-FLOATIES!

"Yeah, they're pretty big. I have trouble finding a nice bikini that fits. Sometimes I just go topless if there's nobody around."

That's bloody beaut news. Are they the real deal?

"Yes, of course. The worst part is that they are still growing! I think they are just the right size now."

What's so bad about having absolutely MASSIVE NORKS?

"It's hard to do any fitness stuff. I try to

SPLAS

"I HAVE TROUBLE

work out a couple of times a week and watch what I eat."

Whatever you do, it's working. How's your sex life?

"Great. I'm getting lots of sex from somebody I like a lot. There's nothing to complain about."

Your favourite way to root is...

"From behind. I like it when he grabs my hair and takes control. And I like to do that at least once a day. A few weeks back I did it about five times in a day."

Have you ever been busted while doing the deed?

"Once while doing it in a car. It was really embarrassing and not even very good sex. I'm never doing that again. It's too cramped in there anyway."

Have you ever gone down on a bloke while he's been driving?

"Maybe once. You've got to have tinted windows, though."

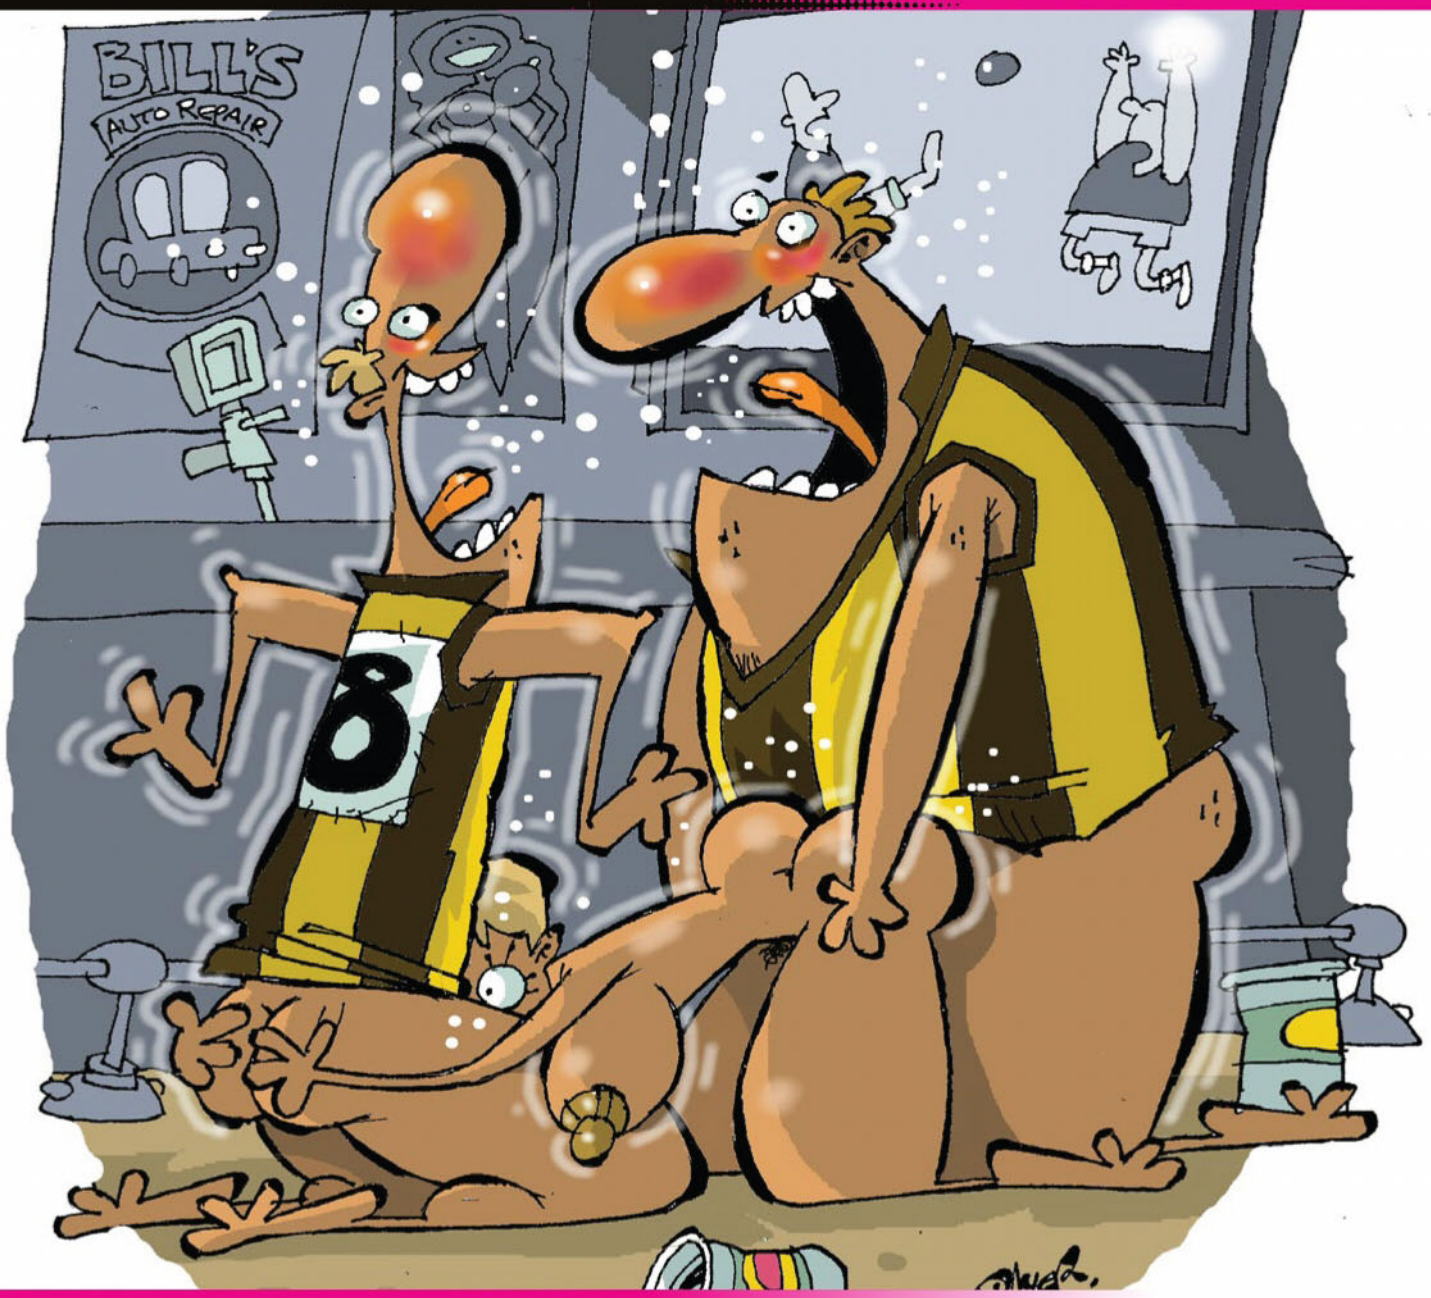
My Threesome



CAVE MEN

WHEN I was a young bloke Brad was my best mate and we both had the hots for Jenny, this dead-set knock-out who lived nearby.

It was a toss-up which of us would eventually nail her, but as it turned out it was Brad, he even married her and they settled down and had a couple of kids.

But I still wondered what it would've been like to fuck her after all the time I spent dreaming about it.

We still kept in touch, though, and when they'd built their dream home in the suburbs and Brad had got his man-cave all kitted out, they asked me over for a barby and a few beers to christen it and watch the footy.

Jenny was looking as hot as ever when I arrived and after a while I figured something was up when I was still the only guest.

The footy was on the big screen TV and Brad had just gone up to the house to get more beer when Jenny spilled the beans.

She told me she's always fancied me, and Brad had given the OK for her to have her first threesome – and as it turned out, my first as well.

By the time Brad had got back Jenny already had my shorts off and was deep-throating my schlong while I watched the footy over her shoulder.

Brad grinned, and went around behind her and proceed to lick her out, which got her moaning and twitching and really going to town on my cock.

Then he whipped out his old fella and wacked it into her from behind so we had a classic spit roast going.

We reversed the polarity and Jenny really seemed to love my cock deep inside her snatch while she sucked Brad off.

With the footy on the teev, cold beers in hand and the girl of both our dreams between us, it was the perfect man-cave threesome experience.

GIRLS ON TOUR

A WHILE back me and my BFF Kylie went back-packing around Italy, seeing the sights and checking out the local talent.

We went for the same sort of blokes, and luckily there was no shortage of handsome Italians to choose from, so usually we had one each.

But one time on a long train ride we found ourselves both getting wide-ons over the same handsome Eyetie who was sharing a compartment with us.

Me and Kylie were trying to out flirt each other, giving him boob flashes and brushing against him whenever the train lurched.

But when he excused himself to go to the loo, we had a quick summit meeting and decided that we'd have to share him, and as soon as he came back to the compartment we jumped his bones.

When he sat down I jumped into his lap and said in my best Italian accent: "You-a like-a fuck us-a both-a?" while Kylie locked the compartment door and drew the curtains.

The poor fella didn't know what to do, so I grabbed his cock through his pants and rubbed it up along the crotch of my jeans.

Meanwhile, Kylie whipped off her T-shirt and pressed her double-Ds around his head like ear-muffs.

We got his pants off and laid him down on the seat. Kylie stripped off and straddled his face while I went to work on his uncut cock with my mouth, taking him balls deep.

When I thought he was ready, I swung a leg over his hips and slid his spicy salami into my dripping moot.

Every movement of the train sent lightning bolts up my snatch, and soon I was coming, flooding his pubes with my juice. Then it was Kylie's turn to ride the Rome express, pumping her hips up and down on him until he came in her snatch and she had a howling orgasm.

He got off the train somewhere in the middle of the night, and from then on we decided hunting as a pair was the best way to go.

WHEN I was fresh out of school I was working as a gardener and an odd jobs man around this rich divorced bloke's harbourside mansion.

The best thing about it was this bloke had a pair of spunky twin daughters Julie and Samantha, also just out of school, and both as horny as I was at that age.

They started flirting with me as soon as I showed up, and they'd be lying around the pool in tiny bikinis whenever I arrived, giggling and waving.

One day when I came to do some mowing and the old man wasn't home, I spotted them by the pool, but this time they were topless and they had a bottle of champagne with them.

They waved me over, poured me a glass and asked if I wanted a tour of the mansion.

"Fuck yeah!" I said excitedly and cracked an enormous horn in my work shorts.

They led me upstairs into a room with a bed you could've held an orgy on, and beautly, that's what they had in mind.

While one of them – I'm not sure which, because I couldn't tell them apart – knelt down to give me a blowie, the other one shoved her lovely, pert, tanned C-cups in my face and gave me a mighty good motor-boating.

I was nearly blowing my nuts from the blow job so just to make sure I didn't peak too early, I pushed Samantha – or was it Julie? – back onto the bed and growled out her perfect little pussy, while Julie – or was it Samantha? – rubbed her hot bod all over me.

I switched from one to the other so many times I was getting dizzy, but I do know it was Julie's snatch I filled with my splooge because just at that moment Julie yelled: "Shit, Sam – it's Dad!" as their old man's Merc pulled into the drive way. Luckily, with the size of the joint I was easily out the back door and firing up the mower before he made it upstairs.

This photo shoot for *The Picture* is one of the most outrageously sexy things I've done." ***Is this the first time you've done a nude photo shoot?*** "I've done other photo shoots for work, but this is the first time I will be published in a magazine." ***What do you like about showing your body off?*** "My tattoos." ***How much ink have you got on that beaut bod of yours?*** "I have five tattoos: my arm, my back, my side, my foot and my finger."

HAVE YOU EVER BEEN SEEN HAVING SEX OR WATCHED ANYONE ELSE DOING IT? "No, I haven't. And it hasn't interested me. I'm private like that."

TRIXIE

"I just split up with my partner of six years and it's my thorough intention to have as many orgasms and as much fun as possible." ***BEAUT PLAN! Tell us how.*** "At Singapore airport, I saw this good-looking guy in the smoking room, so decided to ask him for a lighter and see where it went; five shots of tequila in the bar, then to the airport hotel, apparently. I recently rediscovered my ability to deep throat and was keen to show off."

With the phone-sales guy I did." **HAVE YOU EVER BEEN SEEN HAVING SEX OR WATCHED ANYONE ELSE DOING IT?** "I've been watched while I had sex with people's girlfriends and wives. None of us could walk properly the next day, so it must have been something special." ***What happens if you don't get your fix of dicks?*** "I get really cranky. I need it once a day at the very least. The best way to get me off is great clit stimulation with plenty of eye-contact." ***COMING right up.***

"I'm up for doing it anywhere"

MELISSA

SYDNEY, NSW

If you're down the pub and you see a chick doing a WALKING HANDSTAND to the bar, you're NOT having acid flashbacks; it's just this spunk trying to put a smile on your dial. "I usually get thrown out for it, but it always gets a few laughs," cheered Mel, 34. ***What other crazy shit do you get up to?*** "About six months ago I gave a guy head in the back of a cab. I had to keep bobbing up and giving the driver directions and then going back to suck. The guy had treated me like a lady all night and I went and spoiled it by acting like a whore." ***Yeah, he must've been PISSED OFF.*** "He wasn't complaining! My next goal is to have sex in the back of a cab, but I have to find a guy to do it with. The last year has been very slow for me in that department." ***So that bedroom you're in has been a bit lonely?*** "Yes, but I'd be up for doing it anywhere at the moment. Maybe you should run a comp in the mag to find the guy for the job. Stop laughing – you think I'm joking!" ***No, we're just thinking about the poor bloody postman!***

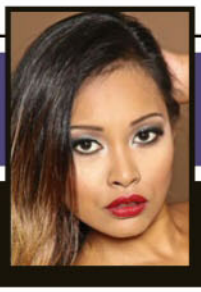
"My name's Melody. I'm 25-years-old and I'm a full time diving instructor." ***Feel free to show us how to GO DOWN on you.*** "I love the beach and everything about the ocean – I love going skinny dipping with my boyfriend and sometimes things can get quite heated." ***Tell us more.*** "We've certainly had sex in the water when strangers have been watching, which turned us on even more." ***Where do you go skinny dipping?*** "I've been skinny dipping at about every beach in Sydney." ***Just you and the boyfriend or have you done it with others?*** "I mostly do it with the boyfriend but I've a group of friends who are into this as well, and we sometimes go together."

HAVE YOU EVER BEEN SEEN HAVING SEX OR WATCHED ANYONE ELSE DOING IT? "I've definitely been watched having sex on the beach and in the water."



MYRA
HOBART, TAS

"Sharing is caring," says 26-year-old catering employee Myra. ***So you're into orgies?*** "No. But something outrageously sexy I've done is having my pussy licked while I was eating my favourite rainbow paddle pop ice-cream. And I put some on it too so he could have a taste of it – 'sharing is caring'." ***Delicious. What else gets you going?*** "I'm a very open-minded person, I'm not judgemental and can be naughty and cheeky at times – I do topless and nude waitressing on the weekend. I'm very affectionate too, I must say."

HAVE YOU EVER BEEN SEEN HAVING SEX OR WATCHED ANYONE ELSE DOING IT? "Nope. I don't like it, as I am pretty private. It turns me off. Same goes as me watching people. I don't really feel comfortable."

"I've had my pussy licked while eating ice-cream"

MONICA
MANSFIELD, QLD

THIS 24-year-old BANANA BENDER loves nothing more than getting hot and sweaty in a room packed full of blokes. "I'm a big gig goer," says Monica. "I love live music." ***What bands are you FROTHING on at the moment?*** "Right now my faves are probably Dune Rats, Violent Soho and The Smith Street Band." ***Nice - ever root anyone from a gig?*** "I had a threesome with two girls a couple months ago. We just got chatting out the front and one of the girls lived nearby so we went past a bottlo, grabbed a few drinks and went back to hers." ***You prefer chicks over dicks?*** "Not really, I like anyone. Men and women are sexy in their own ways. It depends more on the personality for me." **HAVE YOU EVER BEEN SEEN HAVING SEX OR WATCHED ANYONE ELSE DOING IT?** "I've had the third person in a threesome watch, but that's about all."

GO FACT YOURSELF!

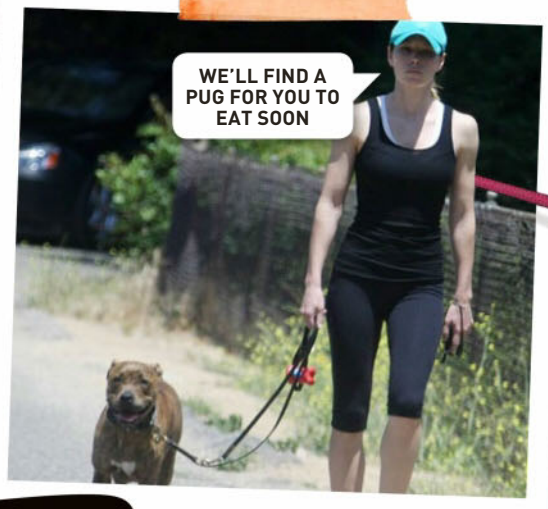
PIT BULLS

01. Pit Bulls may be tough, but they're also sooks – they hate the cold and being left alone, plus they often suffer from allergies. Just let them curl up with you on the sofa with a box of Kleenex and they'll be sweet.

02. Pit Bulls are medium-size mutts, standing around 46-56cm and weighing between 14-27kg. They're very powerful for their size, but, and will give your arm socket a work-out on their daily walk.

03. That thing about pit bulls having a locking jaw is bullshit. They're just feisty cunts who don't like to let go.

04. In 2007, star NFL quarterback Michael Vick was busted for operating a pit bull dog-fighting ring and killing losing dogs. He served 21 months in prison for being a dick.



05. Celebrity babe pit bull owners include Jessica Alba, Jessica Biel and Alicia Silverstone. Paris Hilton would probably have one, too, if she could fit it in her designer handbag.

06. Though "pit bull" is applied to a few different breeds, mostly it refers to American Pit Bull Terriers, the result of crossing scrappy Old English Terriers with hard-bastard Old English Bulldogs for dog fighting back in the good old days.

07. A pit bull bitch called Weela was credited with helping to rescue 30 people, 29 dogs, 13 horses and one cat during flooding of the Tijuana River in Southern California in 1993. She was named the Ken-L-Ration Dog Hero of the Year.

08. Heaps of MMA fighters call themselves "Pitbull", including Thiago "Pitbull" Alves, "The Pitbull Brothers" Patricio and Patricky Frieire, and Damian "The Polish Pitbull" Grabowski. It's not very original, but it sure beats "Portuguese Water Spaniel".

09. While pit bulls quite like yoomans, they aren't massive fans of other dogs. For this reason, they need to be trained from puppyhood not to kerb-stomp passing poodles who look at 'em the wrong way.
